### Why I am running/my goals:

- Will never vote to raise taxes (voluntary giving) and will look for ways to save money based on taxpayer input
- Improve walkability to our schools
- Kids in grades K-3 should not have iPads to take home everyday
- Healthier school foods, more outdoor learning
- Extend Gifted Program activities to all students
- Improve communication and transparency between community, teachers, staff, administration, and school board
- Unite the community and prepare for future growth and success
- I will serve you and the students!
